

How to get to the hotel From the KL airport

Take Kuala Lumpur International Airport (KLIA) Express to Sentral Station. There are two kind of trains: Transit and Ekspress. Transit trains stop more stations, but both will do. You can buy your ticket by credit card at vending machines. It takes about 30-40 mins to Sentral Station.

Central Station

The most difficult part is how to change from KLIA Express railway to Monorail. Follow **the red arrow** to move from the arrival area to the concourse. You will see the escalator to go up into the shopping mall.

This is the departure area. When you go back to the airport, you need to come here!

1. This is how the concourse of the Sentral Station looks like. You will see the escalator at the end. Take this escalator to go into the mall. You will also see the subway station ticket gates on both side of the concourse, but don't take those gates.

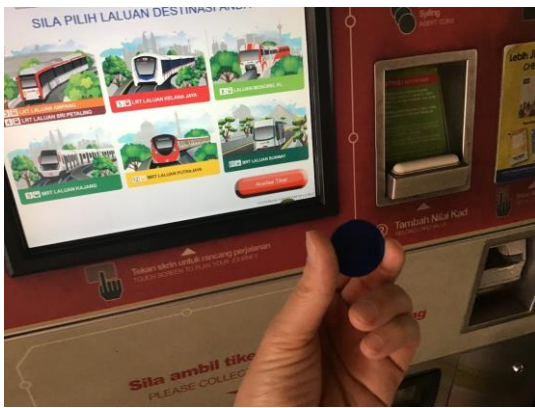

2. Go straight in the shopping mall

3. On the other side of the shopping mall, take an escalator going down.

4. You will find a monorail station.

5. Purchase a ticket coin at the vending machine. Your station is “Imbi”

6. After 12-min monorail ride, get off at Imbi station.

7. Take this ticket gate. The station is connected to the entrance of shopping mall “Berjaya Times Square Kuala Lumpur” where the hotel is located.

8. Get into the mall on the second floor. The hotel reception is located on the ground floor.

Your monorail is coming from this way to Imbi station. You will see the hotel mall on the right.
